Hi Matt—I meant to reply that I can cover the call. Probably not a lot to say, unfortunately.

Hi Cami,  
I didn't get a response from anyone on this yet, but I assume it will sort out as the meeting dates get closer. I hope to check email occasionally, so can hopefully keep tab on things before next week.

If it's okay with you, I plan to put you on my out of office email as a contact for Bristol Bay. (I'll only do this for the internal messages coming in from an EPA email address).

Lastly, Ex. 6 Personal Privacy (PP) Hanh knows how to reach me if anything urgent comes up.

Thanks,

Hi Palmer, Patty and Cami,  
Ex. 6 Personal Privacy (PP) I'm hoping one of you or a combination of you could cover facilitating the prep call on 10/13 and the career leader call on 10/14. Could you please let me know?

I also suppose a decision could be made to cancel the calls if there are no updates. The phone number is in the meeting invites for both and the leader pin is Ex. 6 Personal Privacy (PP)

At this point, I would recommend the following agenda items:

- FEIS letter follow-up
- Compensatory mitigation plan
- FOIA

Thanks in advance.
